The detour will be for motorists to take eastbound 91 to the McKinley Street off-ramp, turn left, and enter westbound 91.

There will also be intermittent lane closures on westbound 91 between the 15 and E. Grand Boulevard through Corona.

NOTE: Information contained in the Construction Alert is subject to change without notice, based on weather, field conditions or other operational factors. Also, maximum enforcement is being done by the California Highway Patrol, in partnership with Caltrans, through the construction area.

Safety is RCTC's highest priority, so please:

- Slow down and watch for workers and heavy equipment
- Allow extra time to get to work, school or appointments
- Tell friends or customers about construction activity
- Be extra careful when driving at night and in rainy weather
- Avoid mobile phone use or other distractions when driving through this area

- Watch for lane and ramp closures, use alternate routes and follow detours
- Obey the "Move Over" Law, which requires you to move to lanes away from any construction work, when it's safe to do so
- Remember that this is a short-term inconvenience for long-term mobility benefits
